

**NOTICE OF 30-DAY PERIOD
FOR PUBLIC COMMENT AND OPPORTUNITY FOR PUBLIC HEARING**

**Section 111(d)/129 State Plans for
Commercial and Industrial Solid Waste Incineration Units**

Notice is hereby given that the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ) is required to submit a Section 111(d)/129 State Plan to the U.S. Environmental Protection Agency (U.S. EPA) for the following state rule: commercial and industrial solid waste incineration units. Section 111(d)(1) and Section 129 of the Clean Air Act require states to submit a plan establishing performance standards and emission limits for source categories identified by U.S. EPA to contribute significantly to air pollution. The State Plan will provide for the implementation and enforcement of performance standards for existing sources. The State rule controlling emissions from these sources has been adopted at:

326 IAC 11-8 for Commercial and Industrial Solid Waste Incineration Units

The public hearing for final adoption of this state rule was held on:

May 1, 2002 for Commercial and Industrial Solid Waste Incineration Units (Effective September 6, 2002)

The IDEM intends to submit the State Plan to the U.S. EPA, in accordance with the Code of Federal Regulations at 40 CFR Part 60, Subpart B. The State Plan contains the State adopted rule, record of public participation, inventory of affected sources, and an emissions inventory.

Request for public hearing on this State Plan: During the 30-day notice period, you may submit a written request that a public hearing be held on this State Plan. Your request and/or comments must be received by the IDEM within thirty (30) days from the date of publication of this notice, and should be submitted to Susan Bem at the address listed below. Please note that this notice is not an opportunity to revise previously adopted rules. Hearings have already been held for the proposed and final rule. This notice provides an opportunity to review the source inventory or emissions inventory to be submitted to U.S. EPA as part of the Section 111(d)/129 State Plan requirements.

Copies of the draft State Plan are available upon request and are available for public inspection at the following locations:
